We ♥ Our Volunteers!

Hello Amazing Volunteers!

With the holiday season upon us, I wanted to take a moment and reflect on the incredible efforts and dedication you all have shown throughout the year. Your hard work has helped us keep the programs running, increased our volunteer presence throughout the District, and helped us put on some amazing events.

This is the time to celebrate, enjoy time with loved ones, and take some time for personal care. To let everyone know, the Volunteer Services office will be closed on both Christmas Day and New Year's Day. With my schedule usually being Tuesdays through Thursdays, I will be adding Monday for those two weeks to offset the day I will be missing.

While the date for updating vaccination records is past, we do still need updated information from some volunteers. Please make sure to submit your records if you haven't already, and if you need the forms re-sent, shoot me an email. For those not vaccinated against the flu, during the flu season you will need to wear a mask. For those not vaccinated against COVID-19, we will let you know if you need to wear a mask based on COVID admission numbers.

Let's finish the year strong and take the time to appreciate everything we've accomplished together. Please make sure to log your volunteer hours, and if you need help doing so, there is a reminder in here on how to log your hours. I'm grateful to have stepped into a wonderfully strong volunteer team, and I look forward to continuing to grow in 2025!

Wishing you and yours a happy holiday season,
Kim Lutey, Volunteer Program Specialist

WE NEED YOU!

Logging Volunteer Hours?

Trouble logging your volunteer hours? Just scan the QR code below (or the one on your badge) and follow the prompts to log your hours. If you haven't logged your hours in a while, that's okay!

You can log as many as you want, and you can do it in a group, rather than entering them all individually.

I request that if you have hours from before September, please make the date before September. Anytime between September through December, you can use today's date. It helps me with quarterly reporting, and I'd like to be as accurate as possible for my reports.

QR code not working?

You can type in the following web address in your browser to pull it up that way: <https://forms.office.com/r/6VkgHPjEiT>

Volunteer Opportunities at Mason Health:

There are multiple options for volunteer work – including Gift Shop, two Concierge services, Culinary services, Chaplain, and Office positions! Whether you are looking for a change in your routine or to increase your volunteer hours, we have plenty of diverse opportunities available to you.

Gift Shop Volunteers:

Assist in running the gift shop, where proceeds go to amazing scholarships. Shifts are 3 hours, with the commitment either weekly or bi-weekly. There are available shifts open all week long, and for the month of December, we have Monday hours! If there's enough volunteer interest, we hope to include Mondays in our weekly hours.

Concierge Volunteers:

The ED Concierge have plenty of shifts that need coverage! I currently need all days of the week, almost any times covered. I have coverage on Monday and Tuesday mornings. If you are 18+, please consider volunteering with the ED team!

Chaplain Volunteers:

Want to lend a listening ear or provide spiritual comfort to patients, staff or family? Consider volunteering as a chaplain. We have plenty of availability weekly, as well as rotating on-call weeks.

Culinary Volunteers:

Help serve staff, patients, family members and the community by helping our amazing Culinary Nutrition team provide excellent food service! Many shifts are available, Monday through Friday 8 a.m. to 4:30 p.m.

If you or a friend/family member are interested in any of these programs, please contact me! We have plenty of openings available. Thank you all for what you already do – our services shine because of your amazing work.

Feel free to reach out to me via email at klutey@masongeneral.com, or on the phone at (360) 427-3621 if you have any questions.
