

PROVIDER PROFILE

Allen L. Millard, III, MD

Primary Care

Dr. Millard chose family practice because he enjoys seeing patients through all stages of life. He loves that he has been able to follow babies into their adulthood. He grew up in the small town of Milton, Wisconsin (population 4,500).

He moved to the west coast and joined MGH Shelton Family Medicine and Orthopedics in 1989. In 2009, he began practicing at MGH Olympic Physicians and in 2020 moved his practice into Mason Clinic.

Living in Shelton gives Dr. Millard the opportunity to participate in his hobbies of hiking, kayaking and adventuring with his three dogs. He and his wife, Kendra (also a physician), also enjoy spending time with their three adult children.
