## Jennifer Nelson, ARNP

### Primary Care

Jennifer Nelson is a board-certified family nurse practitioner licensed by the state of Washington. She obtained her Master's degree in nursing from the Seattle University College of Nursing, Seattle, in 2014, and is board-certified with the American Association of Nurse Practitioners (AANP).

With belief in treating the 'whole person,' Nelson considers both the physical and emotional health of her patients, in a preventive approach to health care. She is a strong advocate of people taking an active role in their care, partnering with patients to build healthy lifestyles in order to prevent disease, and manage their chronic conditions.

When not at her job, Nelson enjoys being active outdoors, hiking through the woods with her dog or surfing on the coast. Indoors, she loves to read and do crafts.
